SUMMARY

Aspiring Computer Science graduate with a passion for full-stack development . Seeking opportunities to contribute my skills and creativity to develop innovative software solutions.

EDUCATION

SSM INSTITUTE OF ENGINEERING AND TECHNOLOGY.

Bachelor's of Computer Science and Engineering 2021 – 2025 (7.95 CGPA upto 5th semester)

MSP Solainadar Memorial Hr Sec school

HSC (2019-2021) with percentage : 86.8%
SSLC (2017-2019) with percentage : 85.8%

SKILLS

Front-end Development

- HTML, CSS, JavaScript, Bootstarp

Back-end Development

- Firebase, SQL ,MongoDB

Frameworks

- Flutter, Reactjs, Nodejs, Oracle APEX

Programming Languages

- Python, Java,Dart

Designing

- Figma, Photoshop, Illustrator

CERTIFICATIONS

- Google Data Analytics Capestone (Coursera)
- Java Programming(Pantech e Learning)
- Web Development(Great Learning)

SOFT SKILLS

- Leadership
- Management skills
- Problem Solving
- Logical thinking
- Communication

PROFESSIONAL EXPERIENCE

Intern at Maxelerator Foundation   July 3-14 2023

I got trained as an Android application developer, creating mobile applications on Face recognition, Image processing, Object detection and Virtual mouse with Hand gesture recognition.

Intern at Artifintel   Oct 1-Dec 1 2022

I got trained in Python for 2 months, creating live projects.

PROJECT

Web development

Designed and launched SSM IET's official website, enhancing user experience with responsive design using HTML5, CSS3, and JavaScript. (ssmiet.ac.in)

Leave application

Developed a web-based leave application system for college using React.js and Node.js, streamlining student and staff leave requests with an intuitive and responsive interface.

Face Recognition

Developed a real-time gesture recognition system using OpenCV

WORKSHOP

- Python basic to Tkinter (SSM IET)
- Java FX Designing (Spotlight technologies)
- Web development (Silicon software Technologies)
- AIML (Maxelerator foundation)

AREA OF INTEREST

- Big data analytics
- Database management
- UI/UX Designing
- Web development
- Computer networks
- Cloud computing

EXTRA CURRICULAR

- Event Co-ordinator(Symposium)
